Southern Editor Advises Its Use

"Duffy's Pure Malt Whiskey Is the Best Medicinal Whiskey in the World," Writes Mr. J. R. Sanders—He Uses It and It Is Doing Him a World of Good—Mrs. Sanders Is Also Taking it for Catarrh and She Says It Is Just the Medicine She Needs.

MR. AND MRS. J. R. SANDERS.

In his characteristic style Mr. Sanders wrote recently: "I read one of your advertisements some time ago, and it impressed me that your whiskey would cure my wife of catarrh of several years' standing, though the doctors thought she had consumption. My wife had always been averse to using whiskey, but her statement the next morning was: 'Duffy's Pure Malt Whiskey certainly must be pure; it stimulates me, clears my throat and does not go to my head like other whiskeys; please get some for the winter. I know it will help my Catarrh.' Now, gentlemen, I am not a doctor nor a chemist; all I know is that your product is better than I have ever used. I can say, like Dr. G. I. Ross, of Canton, Mass., in your Annual: 'If people knew more about your whiskey we would have less drunkenness.' For any one that wants a good, pure whiskey, you have what they want. I think your product would regulate drunkenness to a great extent if used as directed." J. R. Sanders, Editor Sumter County Call, Eps, Ala.
